

turtleTOUCH™

Does This Sound Familiar?

- Parents calling countless times throughout the day to check on their new baby?
- Teachers confused as to when a baby was last changed, last slept, or was last fed?
- Problems with teachers communicating with one another in between shift changes?
- Lost, missing, or incomplete child daily sheets?

Build upon the **award winning Apple iPhone/iTouch™** platform, **turtleTOUCH™** is a secure, lightweight and portable solution to the problem of giving parents daily **peace-of-mind**, and in ensuring that your teachers are keeping **detailed** and **accurate logs** of your infant's **basic daily needs**.

HOW IT WORKS

1. Infant classrooms are equipped with one or more wireless iTouch OR iPhone handhelds.
2. Teachers **securely login** to our software.
3. **turtleTOUCH™ securely accesses** the child's records and displays pertinent information.
4. **Teachers continually log** a child's basic needs throughout the day using the simple, easy to understand touch-screen display.
5. turtleTOUCH securely saves the information which is then **IMMEDIATELY accessible** to parents via their **polarPARENT™** web portal!
6. **THAT'S IT!!**

turtleTOUCH™ "HOME" screen

WHAT IT LOGS

- **Arrival and Departure Times**
- **Teachers Responsible**
- **Child Sleep / Awake Times**
- **Diaper Changes and types**
- **Drinks (types and quantities)**
- **Food (types and quantities)**
- **Individual Teacher Notes**
- **Anecdotal child records**
- **MORE!**
